SECTION 1 - PURPOSE AND PROCEDURES

1.1 These General Terms and Conditions are intended to facilitate Transactions on a Firm or Interruptible basis.

1.2.a Any Transaction may be effected orally or electronically with the offer and acceptance constituting the valid, binding and enforceable agreement of the parties. The parties are legally bound from the time they agree to Transaction terms. Any such Transaction is considered a "writing" and to have been "signed". Notwithstanding the previous sentence, the parties agree that Confirming Party shall confirm, as indicated on the Base Contract: (i) all Transactions or (ii) all Transactions having a Delivery Period equal to or greater than the number of Days specified in the Base Contract by sending the other party a Transaction Confirmation by facsimile or mutually agreeable electronic means by the close of the third Business Day following the Day on which the Transaction is effected. Confirming Party adopts its confirming letterhead or the like as its signature on any Transaction Confirmation and as the identification and authentication of Confirming Party.

1.2.b If a Transaction Confirmation sent by Confirming Party is materially different from the other party's understanding of the agreement referred to in Section 1.2.a, that party shall give Confirming Party Notice clearly identifying such difference on Confirming Party's Transaction Confirmation and return the annotated Transaction Confirmation to the Confirming Party by the Confirm Deadline. The failure of the other party to so notify Confirming Party by the Confirm Deadline is further evidence of the agreement between the parties and constitutes the other party's acknowledgement that the terms of the Transaction described in Confirming Party's Transaction Confirmation are accurate. If the Transaction Confirmation contains any provisions other than those relating to the commercial terms of the Transaction (i.e. price, quantity, performance obligation, Delivery Point, Delivery Period, and/or transportation conditions), which modify or supplement the Base Contract, such provisions shall not be deemed to be accepted pursuant to this Section 1.2.b but must be expressly agreed to by both parties; provided that the foregoing shall not invalidate any Transaction agreed to by the parties.

1.2.c If a Transaction Confirmation is required pursuant to Section 1.2.a and the other party does not receive a Transaction Confirmation from Confirming Party by the deadline set out in Section 1.2.a, then the other party may notify Confirming Party by sending its own Transaction Confirmation by the close of the Business Day following the deadline set out in Section 1.2.a. If a Transaction Confirmation sent by the other party is materially different from Confirming Party's understanding of the agreement referred to in Section 1.2.a, Confirming Party shall give the other party Notice clearly identifying such difference on the other party's Transaction Confirmation and return the annotated Transaction Confirmation to the other party by the Confirm Deadline. The failure of Confirming Party to so notify the other party by the Confirm Deadline is further evidence of the agreement between the parties and constitutes the Confirming Party's acknowledgement that the terms of the Transaction described in the other party's Transaction Confirmation are accurate.

For greater certainty, if the other party does not receive a Transaction Confirmation from Confirming Party by the deadline set out in Section 1.2.a and the other party does not send its own Transaction Confirmation as provided for in this Section 1.2.c, the absence of a Transaction Confirmation in respect of a particular Transaction does not negate the existence of such Transaction between the parties.

1.2.d The entire agreement between the parties shall be those provisions contained in an effective Transaction Confirmation, a Transaction entered into by the parties either orally or electronically and the Base Contract. In the event of a conflict among the foregoing, the terms shall govern in the following priority: (i) an effective Transaction Confirmation; (ii) a Transaction entered into by the parties either orally or electronically; (iii) a Credit Annex, if any; (iv) Special Provisions, if any; and (v) the balance of the Base Contract. The parties agree that all Transactions are entered into in reliance on the fact that the Base Contract, each Transaction Confirmation hereunder and each Transaction hereunder constitute a single integrated agreement between the parties and the parties agree that they would not otherwise have entered into this Base Contract or any Transaction.

1.3 Communications occurring via a telephone conversation may be recorded by either party and each party consents to same without further notice to, or consent from, the other party. Each party shall, to the extent required by applicable law, give notice to, and obtain consent from, each of its employees, contractors and other representatives who may have their communications recorded hereunder. Any recordings of communications relevant to a Transaction may be used as evidence in any legal, arbitration or other dispute resolution procedure, and the parties hereby expressly waive all rights to, and expressly agree not to, contest or otherwise argue against such use of any recordings relevant to the disputed Transaction.

1.4 Each party shall be entitled, upon reasonable request, to access the other party's recording(s), if any, associated with a disputed Transaction.

1.5 The parties hereby expressly waive all rights to, and expressly agree not to, contest any Transaction, or assert or otherwise raise any defences or arguments related to any Transaction to the effect that such is not binding, valid or enforceable in accordance with its terms because either the employee(s) or representative(s) who entered into the Transaction on behalf of a party, and who appeared to have the requisite authority to do so, did not, in fact, have such authority or because the provisions of certain applicable laws require the Transaction to be in writing and/or executed by one or both parties.

Imbalance Charges shall not be recovered under this Section 3.2, but Seller and/or Buyer shall be responsible for Imbalance Charges, if any, as provided in Section 4.3.

Spot Price Standard:

3.2 In the event of a breach of a Firm obligation, the Performing Party shall be entitled to recovery of the following: (i) in the event of a breach by Seller on any Day(s), payment by Seller to Buyer in an amount equal to the difference between the Contract Quantity and the actual quantity delivered by Seller and received by Buyer for such Day(s), multiplied by the positive difference, if any, obtained by subtracting the Contract Price from the Spot Price; (ii) in the event of a breach by Buyer on any Day(s), payment by Buyer to Seller in an amount equal to the difference between the Contract Quantity and the actual quantity delivered by Seller and received by Buyer for such Day(s), multiplied by the positive difference, if any, obtained by subtracting the applicable Spot Price from the Contract Price(s). Imbalance Charges shall not be recovered under this Section 3.2, but Seller and/or Buyer shall be responsible for Imbalance Charges, if any, as provided in Section 4.3.

4.1 Seller shall have the sole responsibility for transporting the Gas to the Delivery Point(s) and for delivering such Gas at a pressure sufficient to effect such delivery but not to exceed the maximum operating pressure of the Receiving Transporter. Such operational notice may be made by any mutually agreeable means, including phone, fax and email. Should either party become aware that actual deliveries at the Delivery Point(s) are greater or lesser than the Scheduled Gas, such party shall promptly notify the other party.

4.3 The parties shall use commercially reasonable efforts to avoid the imposition of any Imbalance Charges. If Buyer or Seller receives an invoice from a Transporter that includes Imbalance Charges, the parties shall determine the validity as well as the cause of such Imbalance Charges. Except as otherwise provided in Section 11.5, if the Imbalance Charges have not been avoided through a revision by Buyer or Seller of its nomination with the Transporter during the Nomination Change Period, then the party whose actions or inactions resulted in the Imbalance Charges (which shall include, but shall not be limited to, failure to accept or deliver quantities of Gas equal to the Scheduled Gas) shall pay for such Imbalance Charges, or reimburse the other party for those Imbalance Charges paid by such other party.

If a party is required to remit or pay Taxes that are the other party's responsibility hereunder, the party responsible for such Taxes shall promptly reimburse the other party for such Taxes. Any party entitled to an exemption from any such Taxes or charges shall furnish the other party any necessary documentation thereof.

Buyer shall pay or cause to be paid all Taxes on or with respect to the Gas after the Delivery Point(s). If a party is required to remit or pay Taxes which are the other party's responsibility hereunder, the party responsible for such Taxes shall promptly reimburse the other party for such Taxes. Any party entitled to an exemption from any such Taxes or charges shall furnish the other party any necessary documentation thereof.

6.2 The Contract Price does not include any amounts payable by Buyer for the goods and services tax ("GST") imposed pursuant to the ETA or any similar or replacement value added or sales or use tax enacted under successor legislation. Notwithstanding the selection made pursuant to Section 6.1, Buyer shall pay to Seller the amount of GST payable for the purchase of Gas in addition to all other amounts payable under the Contract. Seller shall hold the GST paid by Buyer and shall remit such GST as required by law. Buyer and Seller shall provide each other with the information required to make such GST remittance or claim any corresponding input tax credits, including GST registration numbers.

6.3.a Where Buyer is not registered for GST under the ETA and Buyer indicates to Seller that Gas will be exported from Canada, Buyer may request Seller treat such Gas as "zero-rated" Gas for export within the meaning of the ETA for billing purposes. If Seller, in its sole discretion, agrees to so treat such Gas, then Buyer hereby declares, represents and warrants to Seller that Buyer shall: (i) export such Gas as soon as is reasonably possible after Seller delivers such Gas

to Buyer (or after such Gas is delivered to Buyer after a zero-rated storage service under the ETA) having regard to the circumstances surrounding the export and, where applicable, normal business practice; (ii) not acquire such Gas for consumption or use in Canada (other than as fuel or compressor gas to transport such Gas by pipeline) or for supply in Canada (other than to supply natural gas liquids or ethane the consideration for which is deemed by the ETA to be nil) before export of such Gas; (iii) ensure that, after such Gas is delivered and before export, such Gas is not further processed, transformed or altered in Canada (except to the extent reasonably necessary or incidental to its transportation and other than to recover natural gas liquids or ethane from such Gas at a straddle plant); (iv) maintain on file, and provide to Seller, if required, or to the Canada Revenue Agency, evidence satisfactory to the Minister of National Revenue of the export of such Gas by Buyer; and/or (v) comply with all other requirements prescribed by the ETA for a zero-rated export of such Gas.

6.3.b Where Buyer is registered for GST under the ETA and Buyer indicates to Seller that Gas will be exported from Canada, Buyer may request Seller treat such Gas as “zero-rated” Gas for export within the meaning of the ETA for billing purposes. If Seller, in its sole discretion, agrees to so treat such Gas, then Buyer hereby declares, represents and warrants to Seller that Buyer shall export such Gas by means of pipeline or other conduit in circumstances described in Section 6.3.a (i) to (iii).

6.3.c Without limiting the generality of Section 8.3, Buyer indemnifies Seller for any GST, penalties and interest and all other damages and costs of any nature arising from breach of the declarations, covenants, representations and warranties contained in Section 6.2 or 6.3.a or 6.3.b, or otherwise from application of GST to Gas declared, represented and warranted by Buyer to be acquired for export from Canada.

6.4 In the event that any amount becomes payable pursuant to the Contract as a result of a breach, modification or termination of the Contract, the amount payable shall be increased by any applicable Taxes or GST remittable by the recipient in respect of that amount.

SECTION 7 - BILLING, PAYMENT AND AUDIT

7.1 On or before the 15th Day of each Month, Seller shall invoice Buyer for Gas delivered and received in the preceding Month and for any other applicable charges, providing supporting documentation acceptable in industry practice to support the amount charged. If the actual quantity delivered is not known by the billing date, billing will be prepared based on the quantity of Scheduled Gas. The invoiced quantity will then be adjusted to the actual quantity on the following Month’s billing or as soon thereafter as actual delivery information is available.

The parties have selected either “Closest Business Day to Payment Date” or “Next Business Day following Payment Date” as indicated on the Base Contract.
Closest Business Day to Payment Date:
7.2.a Buyer shall remit the amount due in the manner specified in the Base Contract, in immediately available funds, on or before the later of the Payment Date or 10 days after receipt of the invoice by Buyer; provided that: if the Payment Date falls on a Sunday, or a Monday which is not a Business Day, payment is due on the next following Business Day; and if the Payment Date falls on a Saturday, or a weekday, other than a Monday, which is not a Business Day, payment is due on the immediately preceding Business Day.
Next Business Day following Payment Date:
7.2.a Buyer shall remit the amount due in the manner specified in the Base Contract, in immediately available funds, on or before the later of the Payment Date or 10 days after receipt of the invoice by Buyer; provided that: if the Payment Date is not a Business Day, payment is due on the next following Business Day.

7.2.b If Buyer, in good faith, disputes the amount of any such statement or any part thereof, Buyer will pay to Seller such amount as it concedes to be correct; provided, however, if Buyer disputes the amount due, Buyer must provide, by the Payment Date, supporting documentation acceptable in industry practice to support the amount paid or disputed. Within 3 Business Days following resolution of the billing dispute, any underpayments or overpayments shall be paid or refunded

with accrued interest at the rate specified in Section 7.3 for the period from the date of underpayment or overpayment until paid.

7.3 If a party fails to remit the full amount payable by it when due, interest on the unpaid portion shall accrue from the date due until the date of payment at a rate equal to the lower of: (i) if the amount payable is in United States currency, the then-effective prime rate of interest published under "Money Rates" by The Wall Street Journal, plus two percent per annum, compounded monthly; or, if the amount payable is in Canadian currency, the per annum rate of interest identified from time to time as the prime lending rate charged to its most credit worthy customers for commercial loans by The Toronto Dominion Bank, Main Branch, Calgary, Alberta, Canada, plus two percent per annum, compounded monthly; or (ii) the maximum applicable lawful interest rate.

7.4 Payment shall be made in the currency of the Contract Price.

7.5 The parties shall net all same currency amounts due and owing, and/or past due, arising under the Contract such that the party owing the greater amount shall make a single payment of the net amount to the other party in accordance with Section 7; provided that no payment required to be made pursuant to the terms of any credit support document or agreement shall be subject to netting under this or any other provision of the Contract. In the event that the parties have executed a separate netting agreement, the terms and conditions therein shall prevail.

7.6 A Performing Party may accelerate the payment owed by the Non-Performing Party related to a Non-Performance by sending to the Non-Performing Party an invoice (an "Accelerated Payment Invoice") for the amounts due it under Section 3.2, setting forth the calculation thereof and a statement that pursuant to this Section 7.6 such amount is due in 3 Business Days. If the Performing Party does not deliver an Accelerated Payment Invoice, amounts payable pursuant to Section 3.2 shall be invoiced and payable in accordance with Sections 7.1 and 7.2. The Non-Performing Party must pay the Accelerated Payment Invoice when due and the Non-Performing Party: (i) shall not be entitled to net amounts owed to it hereunder by the Performing Party against its obligation to make payment on an Accelerated Payment Invoice; and (ii) shall, notwithstanding Section 7.2, pay the full amount of the Accelerated Payment Invoice despite any dispute it may have as to the amount owing thereunder.

7.7 A party shall have the right, at its own expense, upon reasonable notice and at reasonable times, to examine the books and records of the other party only to the extent reasonably necessary to verify the accuracy of any statement, charge, payment, or computation made under the Contract. This examination right shall not be available with respect to proprietary information not directly relevant to Transactions. All invoices and billings shall be conclusively presumed final and accurate unless objected to in writing, with adequate explanation and/or documentation, within two years after the Month of Gas delivery. All retroactive adjustments under Section 7 shall be paid in full by the party owing payment within 30 days of notice and substantiation of such inaccuracy.

SECTION 8 - TITLE, WARRANTY AND INDEMNITY

8.1 Unless otherwise specifically agreed, title to the Gas shall pass from Seller to Buyer at the Delivery Point(s). Seller shall have responsibility for and assume any liability with respect to the Gas prior to its delivery to Buyer at the specified Delivery Point(s). Buyer shall have responsibility for and assume any liability with respect to said Gas after its delivery to Buyer at the Delivery Point(s).

8.2 Seller warrants that it will have the right to convey and will transfer good and merchantable title to all Gas sold hereunder and delivered by it to Buyer, free and clear of all liens, encumbrances, and claims.

8.3 Seller agrees to indemnify Buyer and save it harmless from all losses, liabilities or claims including reasonable legal fees and costs of court ("Claims"), from any and all persons, arising from or out of claims of title, personal injury or property damage from said Gas or other charges thereon which attach before title passes to Buyer. Buyer agrees to indemnify Seller and save it harmless from all Claims, from any and all persons, arising from or out of claims regarding payment, personal injury or property damage from said Gas or other charges thereon which attach after title passes to Buyer.

8.4 Notwithstanding the other provisions of this Section 8, as between Seller and Buyer, Seller will be liable for all Claims to the extent that such arise from the failure of Gas delivered by Seller to meet the quality requirements of Section 5, or Seller's warranty obligations pursuant to Section 8.2.

SECTION 9 - NOTICES

9.1 All Transaction Confirmations, invoices, payments and other communications made pursuant to the Contract ("Notices") shall be in writing and made to the addresses for Notices specified by each respective party from time to time.

9.2 All Notices required hereunder may be sent by facsimile or mutually agreeable electronic means, a nationally recognized overnight courier service or hand delivered.

9.3 Notice is effective when received on a Business Day by the addressee. In the absence of proof of the actual receipt date, the following presumptions will apply. Notices sent electronically or by facsimile shall be deemed to have been received upon the sending party's receipt of confirmation of a successful transmission; if the day on which such electronic or facsimile Notice is received is not a Business Day or is after 5:00 p.m. on a Business Day, then such Notice shall be deemed to have been received on the next following Business Day. Notice by overnight mail or courier shall be deemed to have been received on the next Business Day after it was sent or such earlier time as is confirmed by the receiving party.

SECTION 10 - FINANCIAL RESPONSIBILITY, DEFAULTS AND REMEDIES

10.1 If a party has reasonable grounds for insecurity regarding the payment, performance or enforceability of any obligation under the Contract, such party may demand Performance Assurance, whether or not an Event of Default or Non-Performance has occurred, which Performance Assurance shall be provided by the other party by (i) the end of the next Business Day after the demand is received if the demand is received by 12:00 noon on a Business Day, or (ii) the end of the 2nd Business Day after the demand is received if the demand is received after 12:00 noon on a Business Day. The Performance Assurance shall not exceed the amount calculated in accordance with the procedure for determining the Net Settlement Amount, as of the date of the demand, as if all Transactions had been terminated plus all other outstanding amounts owed or accrued under the Contract. Upon demanding Performance Assurance, the party demanding Performance Assurance may, until such Performance Assurance is provided, withhold any amounts owed to the other party under the Contract, any Transaction or any other agreement between the parties (whether or not yet due) and set off against such withheld amounts any amounts owed to it hereunder (whether or not yet due). Notwithstanding the foregoing provisions, if the Non-Defaulting Party has designated an Early Termination Date, then the Defaulting Party may not demand Performance Assurance under this Section 10.1.

10.2 If a party (the "Payor") does not pay the other party (the "Payee") any amount owed to Payee in accordance with Section 7, then Payee, may, immediately upon giving Notice, exercise any or all of the following remedies: (i) suspend its performance under all Transactions under the Contract; (ii) withhold any amounts owed to Payor under the Contract, any Transaction or any other agreement between the parties (whether or not yet due); or (iii) set off against such withheld amounts any amounts owed to Payee hereunder (whether or not yet due). If Payee suspends its performance pursuant to this Section 10.2, Payee shall, for the period of the suspension, be entitled to damages calculated in accordance with Section 3.2, with the Payee treated as the Performing Party under Section 3.2 for the purposes of this Section 10.2. Further, notwithstanding Section 4.3 Payor shall be liable for all Imbalance Charges that accrue during the suspension period. If Payee has suspended performance under this Section 10.2 and Payor has paid all amounts owed to Payee in accordance with Section 7 and Payee has not designated an Early Termination Date pursuant to Section 10.3, then the Payee shall promptly thereafter resume performance under the Contract.

10.3 If an Event of Default occurs and is continuing with respect to a party (the "Defaulting Party"), then the other party (the "Non-Defaulting Party") shall have the right to exercise any or all of the following remedies: (i) if Non-Defaulting Party has not previously suspended performance pursuant to Section 10.2 immediately upon giving Notice, suspend its performance under all Transactions under the Contract; (ii) without Notice, withhold or continue to withhold, any amounts owed to the Defaulting Party under the Contract, any Transaction or any other agreement between the parties (whether or not yet due) and setoff against such withheld amounts any amounts owed the Non-Defaulting Party hereunder (whether or not yet due); or (iii) terminate, accelerate and liquidate all Transactions then outstanding (or not yet commenced) in accordance with the provisions of this Section 10 by providing Notice to the Defaulting Party designating an early

termination date, which date shall be between 1 and 20 Business Days following the Event of Default but no earlier than the effective date of the Notice, on which date all such Transactions shall terminate ("Early Termination Date"). Further, notwithstanding Section 4.3 Payor shall be liable for all Imbalance Charges that accrue during the suspension period. If a Non-Defaulting Party has suspended performance under Section 10.2 or 10.3 and (a) the Defaulting Party remedies the Event of Default prior to receipt of Notice from the Non-Defaulting Party designating the Early Termination Date; or (b) the Defaulting Party does not remedy the Event of Default and the Non-Defaulting Party has not designated an Early Termination Date within such 20 Business Days, then the parties shall promptly thereafter resume performance under the Contract.

10.4.1 If an Early Termination Date is designated, the Non-Defaulting Party shall calculate the Liquidation Amount and the Net Settlement Amount. "Net Settlement Amount", in the context of the Non-Defaulting Party, is the single net amount resulting from the gains and losses of all Termination Payments for all Transactions terminated pursuant to Section 10 and after aggregating or setting off, as appropriate, all Costs associated with liquidating and accelerating all terminated Transactions and all other amounts owed or due (whether or not yet due) to the Non-Defaulting Party under the Contract, including without limitation, amounts owed or due to the Non-Defaulting Party under Sections 3.2, 4.3 and 7.1. If any amount to be included in the Net Settlement Amount is unascertained, the Non-Defaulting Party may estimate in good faith the amount to be included, and once it is ascertained, the Net Settlement Amount shall be subject to further adjustment by the Non-Defaulting Party, if applicable. Once the Non-Defaulting Party has made the necessary calculations, it shall provide Notice of the Liquidation Amount, setting forth in reasonable detail how such calculations were made together with supporting documentation. Failure to give such Notice shall not affect the validity or enforceability of the Liquidation Amount or give rise to any claim by the Defaulting Party against the Non-Defaulting Party for failure to give such Notice.

10.4.2 The Liquidation Amount shall be paid by the Defaulting Party within 2 Business Days of Notice of the Liquidation Amount, if due from the Defaulting Party to the Non-Defaulting Party; or is payable by the Non-Defaulting Party on the 25th of the Month following the Early Termination Date, if due from the Non-Defaulting Party to the Defaulting Party, as applicable. The Liquidation Amount, if payable by the Defaulting Party, shall be paid by the Defaulting Party, even if all or any part of it is in dispute, subject to adjustment, if applicable.

10.4.3 With respect to this Section 10, if the parties have executed a separate netting agreement with close out netting provisions, the terms and conditions set forth in that separate netting agreement concerning the calculation of the Liquidation Amount shall prevail to the extent they are inconsistent with the provisions of this Contract.

10.5 In the event a party is a Non-Performing Party, the Performing Party shall have the right to: (i) withhold any or all payments due the Non-Performing Party hereunder for the period of the applicable Non-Performance and net or set-off amounts due the Performing Party against such withheld amounts; (ii) during the period of the applicable Non-Performance, upon at least 1 Business Day's Notice, suspend its performance under any or all Transactions; and/or (iii) if the Non-Performing Party fails to pay any Accelerated Payment Invoice when due, the Performing Party may, without further Notice to the Non-Performing Party, declare an Early Termination Date with respect to the particular Transaction to which the Non-Performance relates in accordance with Section 10.3. The failure of the Performing Party to exercise any of the rights or remedies contained in this Section 10.5 shall not constitute a waiver of the Non-Performance, the requirement for payment as contemplated by Section 3.2 or any of the other rights or remedies of the Performing Party in connection therewith.

SECTION 11 - FORCE MAJEURE

11.1 Except with regard to a party's obligation to make payment due under the Contract, neither party shall be liable to the other for failure to perform a Firm obligation, to the extent such performance is prevented by Force Majeure.

The parties have selected either "Option A" or "Option B" as indicated on the Base Contract.
--

Option A:

11.2.a “Force Majeure” means any event not reasonably within the control of the Claiming Party which event prevents or restricts delivery by Seller or receipt by Buyer, as applicable, of Gas, including but not limited to the following events: (i) physical events such as acts of God; landslides; lightning; earthquakes; fires; storms or storm warnings, such as hurricanes, resulting in evacuation of the affected area; floods; washouts; explosions; breakage or accident or necessity of repairs to machinery or equipment or lines of pipe; (ii) weather-related events affecting an entire geographic region, such as low temperatures which cause freezing or failure of wells or lines of pipe; (iii) interruption or curtailment of firm transportation or storage by Transporters or storage operators; (iv) acts of others such as strikes, lockouts or other industrial disturbances, riots, sabotage, terrorist acts, insurrections or wars; or (v) compliance with any court order, law, statute, ordinance, or regulation promulgated by a governmental authority having jurisdiction.

Option B:

11.2.b

(1) If the Delivery Point is NIT, this subsection (1) of Subsection 11.2.b applies. “Force Majeure” means only an interruption, curtailment or pro-rationing by NOVA of firm NIT service which affects all NOVA shippers who had nominated for firm deliveries or firm receipts to take place by NIT on that Day. On any Day or any portion of a Day when there is a Force Majeure and either party provides Notice of the Force Majeure to the other, Seller shall deliver to Buyer, and Buyer shall receive from Seller, that percentage of the Contract Quantity which is equal to the percentage amount of Gas which according to NOVA has been nominated by all NOVA shippers for NIT and which NOVA is not interrupting, curtailing or pro-rationing on the Day or that portion of a Day.

(2) If the Delivery Point is a “Liquid Delivery Point” as expressly identified by the parties on the Cover Sheet, a Transaction Confirmation or in the Special Provisions, this subsection (2) of Subsection 11.2.b applies. “Force Majeure” is restricted to mean any one or more of the following events which prevents or restricts delivery by Seller or receipt by Buyer, as applicable, of Gas at a Delivery Point: (i) an interruption, curtailment, or pro-rationing by a Transporter of firm service at the Liquid Delivery Point, regardless of the reasons therefor, or (ii) compliance with any court order, law, statute, ordinance, or regulation promulgated by a governmental authority having jurisdiction. If the parties have not expressly identified any Liquid Delivery Points in accordance with this subsection (2), then this subsection (2) shall not apply.

(3) If the Delivery Point is other than NIT or a Liquid Delivery Point (if applicable), then this Subsection (3) of Subsection 11.2.b applies. “Force Majeure” means any event not reasonably within the control of the Claiming Party which event prevents or restricts delivery by Seller or receipt by Buyer, as applicable, of Gas, including but not limited to the following events: (i) physical events such as acts of God; landslides; lightning; earthquakes; fires; storms or storm warnings, such as hurricanes, resulting in evacuation of the affected area; floods; washouts; explosions; breakage or accident or necessity of repairs to machinery or equipment or lines of pipe; (ii) weather-related events affecting an entire geographic region, such as low temperatures which cause freezing or failure of wells or lines of pipe; (iii) interruption or curtailment of firm transportation or storage by Transporters or storage operators; (iv) acts of others such as strikes, lockouts or other industrial disturbances, riots, sabotage, terrorist acts, insurrections or wars; or (v) compliance with any court order, law, statute, ordinance, or regulation promulgated by a governmental authority having jurisdiction.

11.3 This Section 11.3 applies only when subsection 11.2.a has been elected by the parties and in the case when subsection 11.2.b has been elected by the parties, where Subsection (3) thereof is applicable. Neither party shall be entitled to the benefit of the provisions of Section 11 to the extent performance is affected by any or all of the following circumstances: (i) the curtailment of interruptible or secondary firm transportation unless primary, in path, firm transportation is also curtailed; (ii) the Claiming Party having failed to avoid the adverse implications, or to remedy the condition in accordance with Section 11.4 and to resume the performance of such covenants or obligations with reasonable dispatch, or to provide timely notification in accordance with Section 11.5; (iii) economic hardship, which shall include but not be limited to, lack of finances; (iv) Seller’s ability to sell Gas at a higher or more advantageous price than the Contract Price, Buyer’s ability to purchase Gas at a lower or more advantageous price than the Contract Price, or a regulatory agency disallowing, in whole or in part, the pass-through of costs resulting from this Contract; or (v) scheduled

maintenance by a Transporter or storage operator, provided that notice of such scheduled maintenance has been provided by such Transporter or storage operator at or prior to the time the parties entered into the Transaction.

11.4 The Claiming Party shall make commercially reasonable efforts to avoid the adverse impacts of a Force Majeure and to resolve the event once it has occurred in order to resume performance; provided, however, the parties agree that nothing contained in this Section 11 shall require: (i) the settlement of strikes, lockouts or other industrial disturbances except in the sole discretion of the party experiencing such disturbance; (ii) the extension of the Delivery Period of any Transaction (iii) the parties to make up any quantity of Gas they would otherwise have been obligated to sell and purchase during any period when Force Majeure was validly claimed; (iv) Seller to deliver, or Buyer to receive, the Gas at a point other than the Delivery Point; or (v) Seller to purchase replacement Gas at a price greater than the Contract Price.

11.5 The Claiming Party must provide notification, as soon as reasonably possible, to the other party of the occurrence of the Force Majeure. Initial notification may be given orally; however, Notice with reasonably full particulars of the event is required as soon as reasonably possible. Notwithstanding Section 9, the Notice shall be deemed effective at the onset of the occurrence of the Force Majeure and the Claiming Party will be relieved of its obligation to make or accept delivery of Gas, as applicable, to the extent and for the duration of Force Majeure. During the period of Force Majeure, the Claiming Party shall be responsible for any Imbalance Charges arising from the interruption or curtailment of Firm deliveries or receipts due to the Force Majeure which (i) Claiming Party incurs, or (ii) the other party incurs during the period of the Force Majeure and which the other party could not reasonably avoid by changing its nomination for deliveries or receipts with its Transporter within the Nomination Change Period.

11.6 If a Force Majeure only partially affects the Claiming Party's ability to perform its purchase or sale obligations at a Delivery Point, the Claiming Party shall curtail its interruptible obligations at such Delivery Point to the extent required to meet its Firm obligations under this Contract. If, after completely curtailing all of its interruptible obligations, the Claiming Party is still unable to meet its Firm obligations under this Contract, then such affected party may, to the extent permitted by the applicable Transporter(s), reduce its Firm obligations under this Contract by the same percentage that all of its other firm obligations at the Delivery Point are reduced, without regard to the price paid under any transaction between the Claiming Party and the other firm customers or suppliers, as applicable, of the Claiming Party.

SECTION 12 - TERM

12.1 The Contract may be terminated on 30 days' Notice, but shall remain in effect until the expiration of the latest Delivery Period of all Transaction(s). The rights of either party pursuant to Section 7.7, the obligations of either party pursuant to Section 14.10, the obligations to make payment hereunder, and the obligation of either party to indemnify the other pursuant hereto shall survive the termination of the Contract.

SECTION 13 - LIMITATIONS

13.1.a EXCEPT AS SET FORTH IN SECTION 8, THE SPECIAL PROVISIONS OR THE APPLICABLE TRANSACTION CONFIRMATION, THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY AND ALL IMPLIED WARRANTIES ARE DISCLAIMED.

13.1.b FOR BREACH OF ANY PROVISION OF THIS CONTRACT FOR WHICH AN EXPRESS MEASURE OF DAMAGES IS PROVIDED, A PARTY'S LIABILITY FOR DAMAGES FOR THAT BREACH SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION, AND ALL OTHER DAMAGES AT LAW OR IN EQUITY ARE WAIVED. IF NO EXPRESS MEASURE OF DAMAGES IS PROVIDED IN THIS CONTRACT, A PARTY'S LIABILITY SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY, AND ALL OTHER DAMAGES AT LAW OR IN EQUITY ARE WAIVED.

13.1.c EXCEPT TO THE EXTENT PROVIDED IN THIS CONTRACT AS AN EXPRESS MEASURE OF DAMAGES, NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES (WHETHER DIRECT OR INDIRECT), ARISING BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION OR OTHERWISE.

13.1.d IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES IN THIS SECTION 13.1 BE WITHOUT REGARD TO THE RELATED CAUSE OR CAUSES,

INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.

13.1.e TO THE EXTENT THAT ANY DAMAGES REQUIRED TO BE PAID HEREUNDER ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE MEASURE OF DAMAGES IS DIFFICULT OR IMPOSSIBLE TO DETERMINE, OR THAT OTHERWISE OBTAINING AN ADEQUATE MEASURE OF DAMAGES IS INCONVENIENT AND THE DAMAGES CALCULATED UNDER THIS CONTRACT, INCLUDING WITHOUT LIMITATION UNDER SECTIONS 3.2 AND 10.4, CONSTITUTE REASONABLE APPROXIMATIONS OF THE HARM OR LOSS SUFFERED AND ARE NOT INTENDED AS PENALTIES.

13.1.f NOTHING IN THIS SECTION 13.1 SHALL LIMIT THE RIGHT OF A PARTY TO RECOVER OR ENFORCE A RIGHT TO DAMAGES PERMITTED BY THIS CONTRACT.

13.1.g EXCEPT AS LIMITED IN THIS SECTION 13.1, SECTION 3.2, THE SPECIAL PROVISIONS OR THE APPLICABLE TRANSACTION CONFIRMATION, EACH PARTY RESERVES TO ITSELF ANY AND ALL RIGHTS, REMEDIES, SET-OFFS, COUNTERCLAIMS AND DEFENCES THAT MAY BE AVAILABLE TO IT AT LAW OR IN EQUITY IN RESPECT OF THE SUBJECT MATTER OF THIS CONTRACT.

SECTION 14 - MISCELLANEOUS

14.1. This Contract shall be binding upon and inure to the benefit of the successors, assigns, personal representatives, and heirs of the respective parties hereto. No assignment of this Contract, in whole or in part, will be made without the prior written consent of the non-assigning party (and shall not relieve the assigning party from liability hereunder), which consent will not be unreasonably withheld or delayed; provided, either party may (i) transfer, sell, pledge, encumber, or assign this Contract or the accounts, revenues, or proceeds hereof in connection with any financing or other financial arrangements, or (ii) transfer its interest to any parent or Affiliate by assignment, merger or otherwise without the prior approval of the other party. Upon any such assignment, transfer and assumption, the transferor shall remain principally liable for and shall not be relieved of nor discharged from any obligations hereunder.

14.2 If any provision in the Contract is determined to be invalid, void or unenforceable by any court having jurisdiction, such determination shall not invalidate, void, or make unenforceable any other provision, agreement or covenant of the Contract.

14.3 No waiver of any breach of the Contract shall be held to be a waiver of any other or subsequent breach, and any waiver of any breach of this Contract by a party shall not be effective unless it is in writing.

14.4 The Contract sets forth all understandings between the parties respecting each Transaction, and any prior contracts, understandings and representations, whether oral or written, relating to such Transactions are merged into and superseded by the Contract and any effective Transaction Confirmation(s). The Base Contract may be amended only by a writing executed by both parties.

14.5 This Contract shall be governed by, construed and enforced in accordance with the applicable laws of the jurisdiction specified in the Base Contract, excluding however, any conflict of laws rule which would apply the law of another jurisdiction, and the parties agree to surrender and attorn to the exclusive jurisdiction of the courts of the jurisdiction specified in the Base Contract for the resolution of any disputes arising under or in connection with this Contract.

14.6 The Contract and all provisions herein will be subject to all applicable and valid statutes, rules, orders and regulations of any Federal, State, Province, or local governmental authority having jurisdiction over the parties, their facilities, or Gas supply, or the Contract.

14.7 There is no third party beneficiary to the Contract.

14.8 Each party to this Contract represents and warrants that it has full and complete authority to enter into and perform this Contract. Each party represents and warrants that each person who executes this Contract on behalf of such party has the full and complete authority to do so.

14.10. Neither party shall disclose directly or indirectly without the prior written consent of the other party the terms of any Transaction or any information obtained pursuant to Section 7.7 to a third party (other than the Affiliates, employees, lenders, credit rating agencies, royalty owners, counsel, accountants and other agents or advisers of the party, or prospective purchasers of all or substantially all of a party's assets or of any rights under this Contract, provided such persons have a need to know and shall have agreed to keep such information confidential) except (i) in order to comply with any applicable law, order, regulation, or exchange rule; (ii) to the extent necessary for the enforcement of this Contract; (iii) to the extent necessary to implement any Transaction; or (iv) to the extent such information is delivered to such third party for the sole purpose of calculating a published index. Each party shall notify the other party of any proceeding of which it is aware which may result in disclosure of the terms of any Transaction (other than as permitted hereunder) and use reasonable efforts to prevent or limit the disclosure. The existence of this Contract is not subject to this confidentiality obligation. The parties shall be entitled to all remedies available at law or in equity including, without limitation injunctive remedies, to enforce, or seek relief, in connection with this confidentiality obligation, except that any damages shall be limited to direct damages. The confidentiality obligation set forth in this Section 14.10 shall remain in full force and effect for: (i) one year following termination of the relevant Transaction; or (ii) two years following receipt of information obtained pursuant to Section 7.7.

In the event that disclosure is required in order to comply with any applicable law, order, regulation, or exchange rule, the party subject to such requirement may disclose the relevant information to the extent so required, but shall promptly notify the other party, prior to disclosure, and shall cooperate (consistent with the disclosing party's legal obligations) with the other party's efforts to obtain protective orders or similar restraints with respect to such disclosure at the expense of the other party.

14.11 The parties agree that this Contract, and any guarantee of a party's liabilities under this Contract, constitutes an "eligible financial contract" within the meaning of the Bankruptcy and Insolvency Act (Canada), the Companies' Creditors Arrangement Act (Canada), the Winding-Up and Restructuring Act (Canada), and other Canadian insolvency legislation. 14.12 For currency conversions required under the Contract, to convert Canadian or United States currency to the other, the parties shall use the average of the Bank of Canada posted noon spot exchange rates as quoted for each Day during the Month during which Gas was, or was obligated to be, delivered and received.

14.13 Each party irrevocably waives its respective right to any jury trial with respect to any litigation arising under or in connection with this Contract.
